## World Wide Corals is Coming to Winter Park Corners

([January 25, 2019](#)) – Weingarten Realty (NYSE: WRI) announced today that World Wide Corals is leasing 1,425 SF at Winter Park Corners in Winter Park, Florida.

[Winter Park Corners](#) caters to savvy consumers in the upscale, high-density Winter Park community in Northeast Orlando. It is attractively located on the highly-traveled Aloma Avenue retail corridor. The center is anchored by Sprouts Farmers Market and includes several restaurant options such as Outback Steakhouse and Jersey Mike's.

In 2006 [World Wide Corals](#) began in a small garage as a dream to build a local fish store for coral addicts. Just one year later, coupled with a sense of uncertainty and a drive to succeed, they opened their retail location. By 2014 all the years of hard work turned into a saltwater megastore. To date, World Wide Corals operates one of the largest propagation farms in the world. They plan to open for business Spring of 2019.

[Patrick Frease](#), Regional Leasing Manager at [Weingarten Realty](#), represented the landlord.
