A Little History

Steve and Krystal Johnston opened the first [Rogue Toys](#) store in Las Vegas, Nevada in May of 2012. They wanted to create a place where toy collectors and enthusiasts could sell, shop and even swap their treasures. Within months the store was full of rare finds. They soon expanded to a larger space. They readily stock Funko Pop!, Star Wars, GI Joe, Transformers, Marvel, DC, MOTU, TMNT, Dolls, apparel and more. They take pride in providing excellent customer service and quick turnaround time on orders.

Over the years they have continued to expand into Henderson, Nevada and Portland Oregon. They continue to grow as they plan to open the West Jordan, Utah store sometime this October. Make sure you stop in, check out their selection of both vintage and current collectibles. You never know what you will find!
